- Album page*
- Colored background sheet*
- #2 Pencil
- Ruler
- Photo-safe glue stick
- 2 Photographs (copies)*
- Scissors or craft knife
- 2 Doilies
- Coordinating solid-colored paper*
- White photo corners (optional)*

1. Use a photocopier to enlarge this pattern to fit your album page or follow the transfer directions given in the main document.
2. Using the pattern pieces provided:
 - Cut 8 each of piece 1
 - Cut 1 of piece 2
3. Center pattern piece 2 on your background page, with the corners at the top and bottom — not square with the page.
4. Arrange the triangles (piece 1) as shown in the layout. Glue them down to background page.
5. Trim a mat slightly larger than your largest photo. Trim additional mats this size, as many as you have photos (2 shown here).
6. Glue your photos to the photo mats (or use photo corners).
7. Adhere the matted photos to your page.
8. Add your journaling or captions.
9. Adhere background sheet to album page.
10. Insert your finished page into your sheet protector. Now you're ready to place it in your album!
