# AMERICAN FAMILY ALBUM

## You Will Need:

- Album page\*
- Colored background sheet\*
- #2 Pencil
- Ruler
- Photo-safe glue stick
- 5 Photographs (copies)\*
- Scissors or craft knife
- Decorative paper (or use geometric design provided here)\*
- 2 Coordinating solid-colored papers\*
- Sheet protector

## Instructions

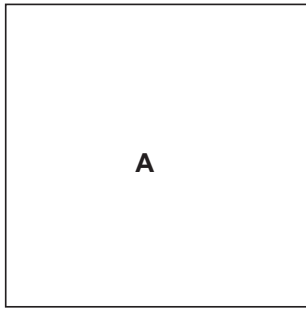

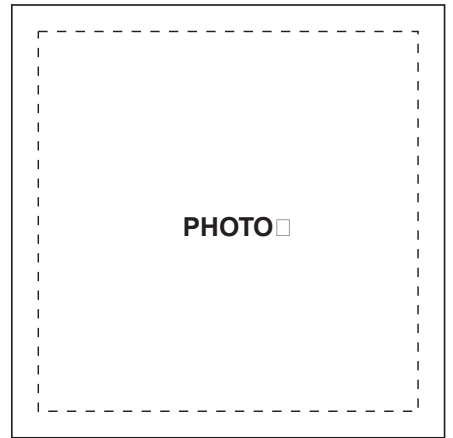

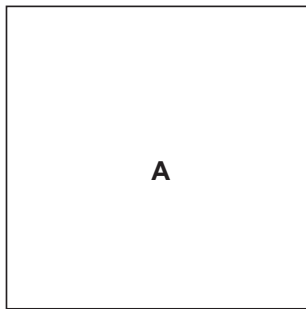

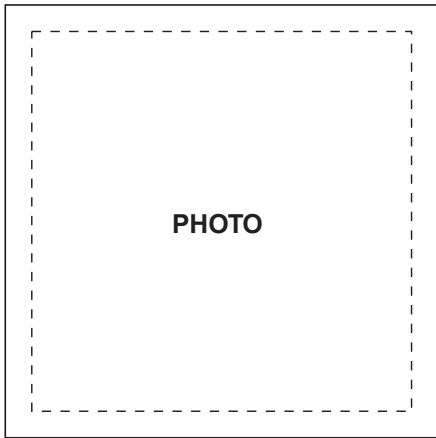

1. Use a photocopier to enlarge this pattern to fit your album page or follow the transfer directions given in the main document.
2. Cut your background paper to fit your album page.
3. From one solid color paper, cut 4 each of pattern piece 1.
4. From the other solid color paper, cut 4 each of pattern piece 2. Glue these into spaces marked A on the pattern.
5. Trim your 4 corner photos to pattern piece 3. Glue your 4 corner photos to the pieces from step 3.
6. Glue your matted corner photos to your background page.
7. Use the decorated pieces in this document or geometric shapes of your own to fill in the empty squares in your layout (spaces marked A in the pattern.)
8. Use your center photo to decide what framing corners to use. You may use the ones provided in this document or ones of your own. NOTE: Don't let your framing corners overwhelm your center photo. Your photo should be the focus of your layout.
9. You can create dimension by adhering your photo to the background using tape that has thickness.
10. Adhere the framing corners to your center photo.
11. Add journaling or a title to your page.
12. Adhere background sheet to album page.
13. Insert your finished page into your sheet protector. Now you're ready to place it in your album!

\* Acid-free products are recommended.
