- Album page*
- Background sheet*
- #2 Pencil
- Ruler
- Photo-safe glue stick
- 2-4 Photographs (copies)*
- Scissors or craft knife
- 6 Coordinating solid-colored papers*
- Sheet protector

Instructions

1. Use a photocopier to enlarge this pattern to fit your album page or follow the transfer directions given in the main document.
2. Cut a square sheet to be the background for your rainbow colors, making sure it's large enough to provide a border around them.
3. Assign your coordinating colors to each of the six colors shown in the example. (You don't have to use rainbow colors, but decide how you want to arrange them. You can cut small pieces from each color to help you decide placement of your colors.)
4. Using 3 of your colors for the vertical stripes, cut 4 stripes of each color using the pattern piece provided on the last page.
5. Using your remaining 3 colors for horizontal stripes, cut 5 stripes of each color using the pattern piece provided.
6. Glue them onto the background sheet as shown.
7. Glue your photographs in a pleasing arrangement on top of your stripes.
8. Add your journaling/captions.
9. Adhere background sheet to album page.
10. Insert your finished page into your sheet protector. Now you're ready to place it in your album!
