- 5 Photographs (copies)\*

- 2 Coordinating solid-colored papers\*

## Instructions

1. Use a photocopier to enlarge this pattern to fit your album page or follow the transfer directions given in the main document.
2. Cut your background sheet. Then cut 1 of pattern piece 4, center it over your background sheet and glue it down.
3. Trim 5 photos using pattern piece 1. Be sure the subjects of your photos fall inside the pattern piece before trimming them. (Hint: When you cut out pattern piece 1, use the hole it creates as a template to crop your photos.)
4. Use pattern piece 3 to cut 5 "blades" of the fan from one coordinating solid-color paper. Glue one of your cropped photos to each blade.
5. Cut 1 of piece 4, and glue it to the center of your background sheet.
6. Cut 1 of pattern piece 2. Place it in the left-hand corner as shown. Glue it down.
7. Arrange the fan pieces as shown in our example; glue down.
8. Add your title or journaling.
9. Adhere background sheet to album page.
10. Insert your finished page into your sheet protector. Now you're ready to place it in your album!
