My Birthday Celebration

AMERICAN FAMILY ALBUM

You Will Need:

- Album page*
- Crayons, colored pencils or markers
- Photo-safe glue stick
- 5 Photographs (copies)*
- Scissors
- Sheet protector

Instructions

PARENT'S DIRECTIONS:

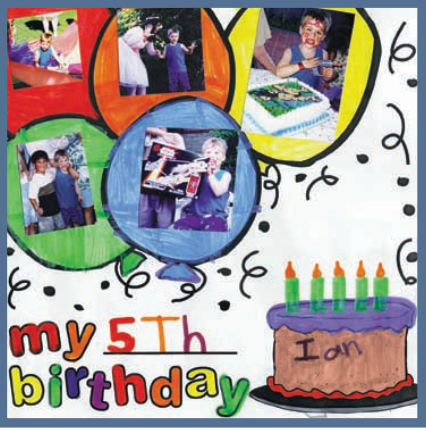

1. Use a photocopier to enlarge this pattern to fit your album page. Your child will color this page and glue his/her photos to the balloons. No other papers are needed.
2. Help your child select 5 favorite photos that, when trimmed, will fit within each of the 5 balloons. Trim them square, round, or any shape that works in the space.

CHILD'S DIRECTIONS:

1. Using crayons, markers or colored pencils, color the balloons. (If using crayons or colored pencils, do not color the squares within the balloons. The glue stick may not adhere.)
3. Write your name on the cake. Color the cake and "my birthday" lettering.
4. What birthday are you celebrating in the pictures? Fill in the blank "my ____ birthday" with the number/age of birthday in these photos (4th, 5th, 6th.)
5. Draw the same number of candles on top of your cake.
6. Apply glue stick inside the squares in each balloon.
7. Glue the photos to the balloons.
8. Glue your finished birthday page onto the album page.
9. Insert your finished page into your sheet protector. Now you're ready to place it in your album!

* Acid-free products are recommended.
