LEWIS & CLARK

Lesson 17
Student Graphic Organizer

First Person Journal Entries

The graphic organizer is a large, empty frame designed for students to write their journal entries. It features a central horizontal rectangular box. From the top-left and top-right corners of this central box, diagonal lines extend upwards to connect to two separate rounded rectangular boxes. Similarly, from the bottom-left and bottom-right corners of the central box, diagonal lines extend downwards to connect to two more rounded rectangular boxes. This layout allows students to write from the perspective of either Lewis or Clark, with each side having two distinct entry boxes.
