Quick Guide to
ADDING TITLES AND CREDITS TO YOUR DIGITAL STORY

This quick guide should be used in conjunction with the educast Adding Titles and Credits to Your Digital Story. These materials demonstrate how to add titles and credits to your digital story so as to emphasize the mood and creative intent of your piece.

Step 1: Choosing Title Animation
1a) Click “Zoom out” icon in navigation bar to see entire piece at one time
1b) Toggle on “Movie Task” menu
1c) Expand “Movie Task 2” menu
1d) Choose “Make titles or credits”
1e) Choose one of the links depending on desired location in timeline for title (e.g., at the beginning, at the end, before or after selected clip)
1f) Reposition monitor window for full access to text box
1g) Enter text for title in text box
1h) Click “Change the title animation”
1i) Experiment with options
1j) Highlight chosen title animation

Step 2: Choosing Title’s Font and Color
2a) Under “More Options,” click “Change the text font and color”
2b) Click “A” under “Color” to change font color
2c) Click “Create Custom Colors”
2d) Select color and click “Add to Custom Colors”
2e) Click “OK”
2f) Review color; repeat process if other color is desired
2g) Click square box under “Color” to change title background color
2h) Follow same process as above
2i) Click “A” under “Size” to increase or decrease text size
2j) Choose justification
2k) Choose font from dropdown menu
2l) Glide transparency slider to appropriate percentage
2m) When finished, click “Done, add title to movie”
2n) Review and adjust if needed
2o) Adjust other tracks to fit timeline
2p) Repeat process to create more titles and credits
