### Economic Concerns Survey

**Directions:** Read each statement below carefully. Mark “agree” or “disagree” for each statement. For each item you agree with, list at least one reason you agree. When you are finished, use the space to the left of the statements, use a star to mark your three biggest economic concerns from the list.

| Statement   | Agree | Disagree | Reason I Agree |
|---|-------|----------|----------------|
| I am concerned about the cost of health care in the U.S.  |       |          |                |
| I am concerned about the level of unemployment in the U.S.  |       |          |                |
| I am concerned about my ability to find a job when I enter the workforce.                                 |       |          |                |
| I am concerned about the number of layoffs being made and anticipated by large U.S. employers.            |       |          |                |
| I am concerned about the effects of outsourcing U.S. jobs overseas.                                       |       |          |                |
| I am concerned about the ongoing cost of the Iraq War.  |       |          |                |
| I am concerned about how the U.S. government spends my tax dollars.                                       |       |          |                |
| I am concerned about the effects of legal and illegal immigration on the job market.                      |       |          |                |
| I am concerned about the number of people who are losing their homes as a result of the mortgage crisis.  |       |          |                |
| I am concerned about the high cost of prescription medication.  |       |          |                |
| I am concerned about my ability to purchase a house one day.  |       |          |                |
| I am concerned about the rising cost of consumer goods.   |       |          |                |
| I am concerned about the cost of energy such as gasoline and heating oil.                                 |       |          |                |
| I am concerned about the rising cost of everyday items like food.   |       |          |                |
| I am concerned about the amount of money the U.S. provides to other countries in the form of aid dollars. |       |          |                |
