

**Global Women and Poverty  
Anticipation Guide**

**Directions:** Carefully read each of the statements below. Mark the response (“Agree” or “Disagree”) that most strongly represents your opinion about each statement. Support your response by noting specific reasons and arguments for your point of view in the “Reasons” column. Be prepared to share your point of view with your classmates.

Statement	Agree	Disagree	Reasons
Education is a privilege granted to some, not a right granted to all.			
People and nations with great wealth are those that work the hardest.			
Education is essential in order for nations and their people to be prosperous.			
People worldwide should expect to earn a fair wage for a fair day’s work.			
It is the responsibility of governments to provide basics such as water, food, education, and health care for their people.
