

ROLE PLAY: HOW THE RISING COSTS OF HEALTH CARE AFFECT ME

Directions: Your assigned role is _____.
Read the "As Goes Maine..." transcript through the eyes of your assigned role and answer the questions below.

1. Provide a brief character sketch, including a description of who you are, type of employment, etc.
2. Summarize at least two ways your assigned role is affected by the rising costs of health care?
3. If you could have a conversation with a person in your role make at least 3 predictions as to what you think would be their solution to controlling rising health care costs?
4. One new thing I learned from this activity?
