

U.S. Embargo on Cuba Viewing Organizer

Instructions: As you watch the “*Distant Neighbors*” segment of the ‘NOW with Bill Moyers’ program, write down specific points that might assist you in developing your position papers. Remember to capture information supporting both sides of your committee’s view so that you can identify weaknesses in the other side’s case, as well as be prepared to argue against points the other side can develop against YOUR view.

Points that help our view	Points that hurt our view
