

Thank you for volunteering to chaperone our class field trip. You have been assigned: _____.

(Students)

Well-prepared and enthusiastic chaperones are key to our successful field trip

Please check with _____ if you have any questions. Your job as chaperone is to use your best judgment to keep students safe and to ensure that students get the most from this field trip by being actively involved. Please interact with students, attempt to keep them focused, involve students, participate with them, and encourage students to complete any field trip assignments. Please assist us with ensuring that students avoid disturbing the environment that includes plant or wildlife. Please help refrain students from loud noises and movement. They need to talk quietly and observe. We want to keep students safe. Please help students avoid poisonous insects and plants and avoid all animal life.
