

The Chances of the World Changing **Viewing Guide**

Name: _____

Directions: Make careful observations while watching the film clip and respond to the questions below.

Clip 1

How did Richard Ogust begin his collection?

What prompted his further turtle acquisitions?

What is an assurance colony?

What was Richard trying to accomplish with his assurance colony?

Clip 2

Listen carefully to what Cris (a man who accepts some of Richard's turtles) says in the video clip. If an animal doesn't exist in the wild anymore, do you think humans should preserve it in captivity or let it go extinct? Justify your response.
