

Delve Deeper into "9 Star Hotel"

A film by Ido Haar

This multi-media resource list, compiled by Shaun Briley of the San Diego Public Library, provides a range of perspectives on the issues raised by the upcoming P.O.V. documentary "9 Star Hotel" that premieres on July 22nd, 2008 at 10 PM (check local listings at www.pbs.org/pov/).

"9 Star Hotel" documents the lives of a group of young Palestinian men working illegally as construction laborers in the Israeli city of Modi'in. Caught between Israeli security laws and a Palestinian Authority they see as having failed them, they work for Israeli contractors by day while hiding from police by night. Like youths everywhere, they pass their idle hours talking about love, marriage and future hopes. Israeli filmmaker Ido Haar has crafted a powerful vérité film that illuminates the plight of young men questioning their own culture while struggling to survive in the midst of bitter conflict.
