

## Interview Project Planning Sheet

Name: \_\_\_\_\_

**Directions:** Respond to the questions below to prepare for your interview.

Who do you plan to interview?

What experience has this person had that is representative of modern times?

What informational questions can you begin your interview with to put the person at ease and set the stage for the experience they will share?

What questions will you ask to get the person to describe the experience that you want?  
(Be sure to avoid "yes" or "no" questions.)
