

# POV

<b>Soldiers Coming Home</b>			
	<b>World War II</b>	<b>Vietnam War</b>	<b>Wars in Iraq and Afghanistan</b>
Describe how soldiers were welcomed home.			
What political factors (such as public opinion about the war, outcome of the conflict and whether soldiers were drafted or volunteered) may have influenced how troops were welcomed home?			
What social factors (such as percentage of population involved in military service, sacrifices involved, feelings of patriotism and lessons from the past) may have influenced how troops were welcomed home?
