# TRAVELER'S BANKBOOK AND FREIGHT ROSTER:

# WAGON

Congratulations! You have decided to head West to claim a homestead. You have been scrimping and saving for many months, and you have decided to make your journey by WAGON.

After you fix up your wagon and buy new horses, you have $835.37.

Your wagon can carry 1,500 pounds of freight.

Choosing from the items available in the Homestead Inventory envelope, decide what you will purchase and put into your wagon.

Remember, you only have $835.37 to spend, and your wagon load can not be greater than 1,500 pounds.
