Current threats to rhino

Items to Include in Plan

- Name of Organization
- One paragraph that explains the mission of your organization and what need your organization will fill
- A slogan or tag line for the organization

- A logo for your organization
- One or two paragraphs that describe the rhino and its environment
- A map that shows the distribution of the rhino
- A paragraph that explains the threats to the rhino
- One or two paragraphs that outline the actions that your organization will take to protect the rhinos (Don't be afraid to brainstorm new and unusual ideas that could be used to help protect the rhino.)
- A paragraph that explains where you will get the money needed to operate your organization

Your report should be neat and well organized.
