

“Mixed Blessings” Information Collection Sheet

As you watch the WIDE ANGLE episode “Mixed Blessings,” write down information about the person whose role you will be playing. Try to be as complete as possible with your notes, as you will be using them to role play during the town meeting.

If you are NOT assigned a particular role, your job is to support your group, depending on what critical questions your class developed after viewing “Mixed Blessings.” Information you collect is vital for your viewpoints to be seen in a logical and credible light during the town meeting.

If you need more space, use a separate sheet of paper.
