

STUDENT HANDOUT 7

**Reaching Consensus:
Synthesis/Resolution Form**

Name: _____

Your goal is to come up with a solution that represents a synthesis of the reasoning behind both positions—a solution that all four of you can agree to. To begin, note what you consider to be the key points from both arguments. Then use the middle column to brainstorm ideas for solutions.

<i>Position A: Key Points</i>	<i>Ideas that Might Work for Both</i>	<i>Position B: Key Points</i>
