

The story of Prince Edward County schools – Education questionnaire

Thinking of your daily life as well as longer-term goals in life, complete the following statements.

If I was never taught to read or write...

If I never was taught to do basic math and didn't know what numbers were...

If my school had roofs that leaked whenever it rained...

If my school didn't have heat in the winter...

If I never was taught history...

If I was never taught science...

If only white people were allowed to go to school...

If education wasn't a human right to everyone on the planet...
